

TECHNICAL EDUCATION QUALITY IMPROVEMENT PROGRAMME

TEQIP PHASE II

University College of Technology, University of Calcutta

April 22, 2015

To
The Vice Chancellor
University of Calcutta

Sub.: Approval towards formation of High Power Committee for TEQIP, Phase II and CoE

Respected Sir,

This is in connection with the email communication from SPFU (memo no. SPFU/WB/2015/03 dated 02.01.2015) recommending formation of a high-power committee for "discharging regular responsibilities in connection with implementation of TEQIP-II". The matter has been placed before the Teqip Institutional Committee (TIC) and a committee structure has been decided.

Accordingly, I propose a High Power Committee with the following members:

1. Dean, Faculty of Engineering & Technology, Chairman
2. Secretary (UCSTA), Convener
3. Coordinator, TEQIP Phase II
4. Coordinator, CoE
5. Prof. Samarjit Sengupta
6. Prof. Asutosh Ghosh
7. Prof. Priyabrata Sarkar
8. Mr. Kushal Banerjee, Academic Relationship Manager, TCS, Kolkata
9. Dr. Soumen Chakraborty, Director, Himadri Chemicals & Industries Ltd., Kolkata

May I request you to kindly approve the committee with its members as mentioned above for TEQIP, Phase II and CoE operations?

Looking forward to your kind support,

Yours Sincerely,

(Nikhil Ranjan Das)

Dean
Faculty of Engineering & Technology
University of Calcutta

*Approved
as requested.
